## Congratulations on registering for our world adventure happening in June 2017!

Now that planning phase has reached a new chapter, it's important to get a few things done as quickly as possible: **flights** and **unique rooming requests**.

When you go to our website [www.papillon-international.com](http://www.papillon-international.com) go to the "log-in" page and click on "Madame Schlup's summer 2017 Europe tour". When prompted for a password, type "SUMMER2017" (without quotes, lowercase). Once in our individual tour site, you can **make payments, check out upcoming meetings**, etc. You will also notice that on the right hand side are two buttons: **one for flights and one for roommate selection**→ **these two forms must be completed by Saturday 10/08/16**. (see below)

Unique rooming scenarios (like parents and students rooming together) require advance notice when booking our accommodations. **\*\*Please note that students may ALWAYS switch roommates during our trip, and those selections are not set in stone.\*\***

**Failure to complete these two forms by SATURDAY will mean that you are not booked on the group flight and that unique rooming requests are less likely to happen.**

***\*if you are BOOKING YOUR OWN FLIGHTS but are still planning on going to ICELAND with the group, please include that in the "special instructions" part of the form\****
